

Attorney Ref.: 463701-190-308042

The present Patent Owner converted to a large entity in April, 2006. Notification of Loss of Entitlement was inadvertently not filed in the USPTO at that time. The second maintenance fee was paid on July 14, 2009, as a small entity, without intent to deceive.

Since the second maintenance fee was paid after the conversion by the Patent Owner to a large entity, i.e., April, 2006, the following fee is being submitted herewith:

Deficiency in payment of the second maintenance fee (paid July 14, 2009) **\$1610.00**  
(i.e. the difference between the amount paid (\$1240) and the current large entity fee (\$2850))

The **total deficiency payment of \$1610** is being paid, by an accompanying authorization to charge to a credit card, concurrent with the filing of this Petition.

The **third maintenance fee of \$4730** is also being paid concurrent with the filing of this Petition, by authorization to charge a credit card.

The Commissioner is hereby authorized to charge any additional fees required in connection with this submission, or to credit any overpayment, to USPTO Deposit Account No. 503111.

Respectfully submitted,
